Dear Community Supporter,

Imagine...you are sitting at a high school football game on a Friday night, or from 3 blocks away you can hear the band playing. The stadium is packed with spectators and all of a sudden you hear your company's name roar over the loudspeaker in support of The South Granville High School Marching Vikings.

Tradition, Pride, and Excellence...is what it takes to have a successful band program. Our Vikings consist of reliable students, committed parents, generous community sponsors, and a dedicated Band Director. When you were in high school, do you remember that one class, sport, or club that you lived for? Well, our Vikings have the same desire to be the best, while showing their school spirit through Marching Halftime shows, competitions, and parades.

The facts... We need you on our team! Community support is important to help maintain a growing team. We are in need of funds to purchase new instruments and equipment for the Marching Band. Our program boasts some of the finest high school students in North Carolina. Most of our members carry an advanced level of education, and are very involved in community services such as, ROTC, Church Youth Ministries, Scouts, etc... Please consider joining us in the form of a monetary donation.

As we all know...the funds for public school music and arts programs are constantly being cut. Funds received from the County are in the form of salaries and facilities. That means the students and parents must raise the additional funds required for a successful year. We want to assure you that it is not our intention to simply ask for a hand-out, but for an investment in our greatest asset; OUR YOUTH. We are not only preparing these South Granville students to play music, we are preparing them to become extraordinary musicians, students, and citizens. We emphasize the importance of team work, leadership, problem solving, and personal responsibility.

It's easy...to sponsor the Marching Vikings. Please complete the following forms and indicate the level at which you would like to partner with SGHS Band. It has been our experience that business leaders appreciate the opportunity to join in local activities that promote positive youth involvement.

Thank You...in advance for your support of our high school band program. We look forward to hearing your company's name over the loudspeaker at the football games and being displayed on the Band trailer.

Sincerely,

*South Granville Band Parents' Association*
