# Gray Band Shirt - Order Form

Tradition

Pride

Excellence

*It's Marching Season!* And you know that's means...it's time for us to order the Marching Vikings' gray band shirts. Each student will receive one Gray Band T-shirt, at no extra cost, on the last day of Band Camp. Please indicate what size your student wears at the bottom of this form. These shirts will be worn several times throughout the year; under uniforms for football games, as part of their casual attire, and just because these students love showing off their school pride! So, you may want to order your student an extra one.

If you would like to purchase an additional shirt for your band student, yourself, or a family member now is the time to do so! All order forms and payment must be received by the first day of PreBand Camp, Monday, July 22, 2019. In order for the shirts to be in by the end of Band Camp. No exceptions.

Thank you,  
The SGBPA

*Please return this form by with payment on or before Monday, July 22, 2019*
