Dear Local Sponsors,

We hope this message finds you and yours well. We are very grateful to local businesses like yours, who give generously in monetary donations to the South Granville High School Band program. This year, COVID has taken a toll on us all, including the band program here at South Granville High School. We, with our band director, Mr. Bradley Maston, are focusing our time on rebuilding the program for our students, during these lost times.

We ask if you would like to continue your sponsorship in the form of a monetary gift of \$200 towards the future growth of the Band program under the cause of SGHS BAND REBUILD as we hope to resume Marching Band, Concert Band, and the Indoor Ensembles in 2021. Thank you⁴ for your time and your sponsorship.

To donate please make checks out to:

SGHS Band - SGBPA

701 N. Crescent Drive

Creedmoor, NC 27522

And in the memo line, please include SGHS BAND REBUILD and a thank you letter with our 501c3 tax number will follow. Thank you!

Sincerely,

Andrea J. Stein
SGBPA President
